ANNOUNCEMENT OF FIRST QUARTERLY RESULTS FOR THE THREE MONTHS ENDED 31 MARCH 2018

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on The Stock Exchange of Hong Kong Limited (the "Stock Exchange"). Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the "**Directors**") of Omnibridge Holdings Limited (the "**Company**") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the "**GEM Listing Rules**") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

CORPORATE GOVERNANCE CODE

Pursuant to code provision A.2.1 of the Corporate Governance Code (the “**CG Code**”) and Corporate Governance Report in Appendix 15 to the GEM Listing Rules, the role of chairman and the chief executive should be segregated and should not be performed by the same individual. However, we do not have a separate chairman and chief executive, and Mr. Chew currently performs these two roles. The Board believes that vesting the roles of both chairman and chief executive in the same individual has the benefit of ensuring consistent leadership within the Group and enables more effective and efficient overall strategic planning for the Group. The Board considers that the balance of power and authority for the present arrangement will not be impaired and this structure will enable the Company to make and implement decisions promptly and effectively. The Board will continue to review and consider splitting the roles of chairman of the Board and chief executive of the Company at a time when it is appropriate and suitable by taking into account the circumstances of the Group as a whole.

The Company adopted the CG Code contained in Appendix 15 to the GEM Listing Rules as its own code of corporate governance. Save for the deviation from the code provision of A.2.1 of the CG Code, the Board is satisfied that the Company had complied with the code provisions of the CG Code during the three months ended 31 March 2018.
